Kienzynski Family - keeping you in my thoughts and prayers as Bill and I always enjoyed Leonard's company and the time that he spent bringing Misty over to see the Shar Peis and bring them treats. He was one special person with kind compassion and an enhancement to walk this earth.

Terrisa, My name is Harold A. Teagarden, I am Leonard's , Paul's and Wally's first cousin. Growing up they knew as Arvid. I'm not sure if we ever met given Leonard's and my military careers. Leonard's father and my Mother Anna were siblings.

After joining the Air Force in 1962 my duties kept me away from Gary most of time except for very short visits between assignments. So, although I have lost touch with most of the family I have never forgotten the times we had together growing up. I remember the huge Sunday get together's at my parents home in Burns Harbor. Leonard's father will always have a special place in my heart with all the hard work he did helping my father build our house in Burns Harbor.

I am so sad to hear of Leonard's passing. You and all your extended family are in my prayers. Please give my love to Wally and Paul.
