“ My heart aches for your loss. I enjoyed getting to know Billie and let me tell you, he was a real trooper. He endured everything they threw at him to try and help him and he never complained (at least that I heard). (He was the only kid I ever knew who could place his own NG tube!). It was obvious he loved his family and those nieces. He told me during a visit with him that he knew Jesus therefore I know one day we will meet again. There is nothing that can ease the pain of your loss however rest assured he is no longer in pain and I can imagine he is riding around heaven in his Gator.

With my sincere deepest sympathy,
Cheryl Franklin

“ To the family of Billy Camden-I didn't personally know Billy,but a friend of mine told me of his illness and I'm deeply sorry for your loss. I put him in my prayers daily. God must of needed another angel when he called Billy home. Sincerely, Cami Bredeweg
