“*We were sorry to hear of the family's loss in Alice's passing away. We are thrilled to know that Alice is smiling with the angels worshipping her Lord and Savior. She was a wonderful lady here on earth and we are sure that she will be happily waiting for us until we join her there.
She always had a special smile and a kind word, except when she and Judy were fussing with one another, she was so funny.
May God grant you all peace and comfort in your time of mourning.*
