“ *Aunt Alice loved to cook for everyone, and boy was she good at it! I remember coming to visit with my grandson when he was about seven years old and she had made a big pot of beans...he told her those were the best beans he ever ate. That just tickled her so. She loved people and always welcomed you and made you feel like you were her favorite. I will miss your smile and sense of humor. Rest in Peace my dear Aunt Alice*
