“ *I can't even fathom this. Amanda was a long time dear friend. I am still in disbelief. There are so many memories this would be quite an extensive post. She was there for me long before life became so complicated with grown up business. She supported me through one of my most predominant and turmoil moments in my life (my mother's passing). Even throughout her difficult times she remained a beautiful light inside. She lived hard and loved those she cared about even harder. A beautiful soul that got lost in earthy, human faults. I know she is at peace now and watching over the people that will carry the best parts of her eternally. She will be greatly missed by many. She was taken from us before her time, but I am positive she will be a great attribute to God's greater plan. ❤️*

“ Amanda, I couldn't believe the news when I heard it. I never thought I'd have to say goodbye.... and I'm not, I'll see you later baby girl. I love you and I'll miss you forever. Watch over your babies and your family! I'm so worried about Kyle and how he is handling all this.... so keep an extra close eye on him for me. Fly high beautiful.
