“ Amie was my Mom, I miss her so very very much. Everyday going by I think of her more and more. Just knowing that she isn't gonna see her little girl grow up hurts. But she isn't suffering anymore.. She's in a better place not worrying anymore so I'm happy for her. Love you Mom forever and always. Love your loving daughter Nicole.

“ To Amie's entire family: I can go through photo albums from long ago birthdays and Amie and Lacreata's pictures were always there. In 7th grade Science class, we were so bored during the movies that Amie would braid my hair. The unfortunate part is that I probably haven't seen Amie in 20 or 25 years, but I still remember her as a school friend and a childhood friend. My condolences to everyone on your loss. If anyone reads this, remember that you should always stay in touch with old friends, so you don't end up with regrets years down the road. Once again, my family and I are sorry for your loss.
