“ *Joey & Lorie, You and your family are in my thoughts and prayers. I always asked your mom about the two of you when I would see her in town. She was a wonderful lady. I had almost forgotten that she was from Cannelton. My uncle lives there still and my parents are from Tell City. I think we talked about that as kids. Sad for us but happy for Heaven.*

“ *I remember Anna Jean from Cannelton, Indiana. I graduated from Cannelton in 1950 and I took Anna Jean to her Prom in 1960. If I recall her classmates nicknamed her "Animal Jean". My condolences to her family. I used to run into her when I worked at WBTO Radio in Linton in the late 1960's and 1970's. God Bless*

“ Anna Jean was a childhood friend of mine, although she was a grade behind me in school. I am very saddened to read that she passed away. I remember teasing her because she could see her home from Myers Grade School playground, and could go home at recess...if she dared. Of course, Anna Jean was never that daring. She was such a nice young girl, and when I last saw her at the time of her mother's funeral I was pleased to tell her that she was indeed a pretty grown lady. I am happy to see that she had a nice family and a good marriage. Her wedding day was on Saturday and mine was on Monday, just 2 days apart in 1958. Time changes so much. I think I remember that she had a heart problem when she was a young girl and will assume that this was her demon all of her life. Please know that she had a lot of friends at CHS and we all have good thoughts of her. God Bless You All... Mary Rita Smallwood Goffinet
