“ *Didn't think I would write but when I went in tonight I saw such a beautiful lady it was so cheering. My family always makes me happy. How blessed we were to have had a lady in our lives like that. I will never forget the night she brought the colby cheese in, put it on the table and my daddy asked why Mary Alice didn't take the rinds off the cheese. We all had a laugh. All the wonderful times we had and how wonderfully blessed we were. Heaven will be a happier place with her there. God bless you both, Sue and Don.*
