“ I am so sorry to hear about Ann. She was such a wonderful person. I know you will be hearing this from a lot of people----that's because it is true. Bud ---she described you as the perfect husband--she loved you and the kids so much. She adored your family, and hers. It was such a blessing to have her hold my hand during my Mother's illness. I don't think I could of made it without her calls and e-mails, and that visit!!! That meant so much to me and my family. I took lots of pictures that weekend. She was so fun to be with and so crazy. We sat on Santa's lap and had our pictures taken. (That poor Santa)She was truly a blessing. I will truly miss her calls, her phone fading away in the hollers(as she put it!!) She touched so many people. I wish we could be there. We will be praying for all of you.
