“ *Jeff & Rod, I'm so sorry for your loss. I have fond childhood memories of your mom. She was such a classy lady; always nicely dressed and well-mannered, as many women of that generation were. In the church, around town, at home, she was always pleasant to be around. I pray that the Lord will comfort you and give you the strength you need to get through this difficult time.*

“ Rodney and Jeff, I know you both are very sad today, it's the worst feeling ever to loose your parents, but I know that Uncle Bob was up there waiting for her to finally get back to him, and you know what, they're dancing in each others arms tonight. She was a wonderful woman and I have so many wonderful memories that she's in from my childhood and coming down to see my babies. I loved them both so dearly and wish I could be there. Love you both and I know your saddness. Love, Connie
