“ *To My Sunshine,
From the point, that I was informed you had past. My mind went into a spiral downfall. There was so much to be said, yet life and time seemed to being going by so fast.
Ann is/was a Wonderful person with so much Love to give. She was opinionated at times, you had to understand where she was coming from. As each day goes by I miss her more than the day before.
They say time heals all wounds, yet mine will not heal. I think and pray for her and ask Jesus to watch over her as each day goes by.
Lost Soul I am.*

“ *To My Sunshine,
I knew Ann for many years, a heart warming person. She had a lust for life, and so much Love to share. She is and has been missed by many, especially myself. I just wish we could have re-connected in life. As each day goes by the pain, of her being gone, has not subsided one bit. My thoughts and prayers are there for her and as each day goes by. I have yet to fail thinking of her and her wonderful smiles. She had a mind of her own and would not sway.
We have lost a very amazing women!!!*
