“ Anne was a true and genuine lady. I just loved working with her and just being with her in general. She lit up the room when she walked in. Never a dull moment with her around. May God bring you the peace that passes all understanding that only He can provide.

“ *Ron - I just wanted you to know how sorry I am to hear about the passing of your mom. I was lucky enough to work with Anne for several years and she was one of the nicest, kindest and most caring ladies I've ever met; not to mention she had a wonderful sense of humor! We worked together for a few months before I realized she was your mom. She would talk about your dad and your kids and finally I put two and two together. It was a blessing to know her; she was an amazing lady! My condolences to you, your father, your siblings and the rest of your family. May God bless you all during this difficult time.*

“ I am so so sorry for your loss. Sitting next to Anne in choir was the best part of my Mondays. It was an absolute honor and privilege to be able to know her as I was growing up in the church. From being my Sunday school teacher, to friend and the person who would overhear my commentary at church and always laugh with me. I will miss Anne dearly, and I'm relieved to know she's upstairs with our Heavenly Father just waiting to see us all again one day. Please let us know if there is anything you need and we will be happy to help. - Sydney Terrell

“ Brad I wanted tell you how nice Anne was to my mother Velma Heaton in their sorority Delta's. Mother would set by her at meetings and special events and she also mentioned to me how she enjoyed their company. Anne also had a beautiful smile when you guys came into the Health Department for your shots I enjoyed catching up with you two. I would stop working and visit some. Ken and I want to send our deepest sympathy to you and your family. Much Love Ken and Linda Robertson

I loved her sense of humor! Life brings us many experiences with lovely people, and I consider her one of the good ones. After being away from Bloomfield for so many years, we reconnected via FB where I enjoyed her lighthearted posts and commented on several. I know her 'light' will be missed, but her spirit of love will continue. Wayne and I send our love to you and family💜
