“ *Steve and I enjoyed a few years of Art's in depth Sunday School teaching. He always challenged our thinking. He loved serving his Lord even volunteering to usher the past few months. We loved our friendship with he and Edith and their wonderful sense of humor. Art will be sorely missed and the family is in our thoughts and prayers. May God flood your hearts and minds with precious memories.*

“ *I am so glad, through Art's son Tim, that Art and I had the chance recently to reconnect after 50 years by telephone. We talked until our cell phones were ready to run out of power. We shared many fond memories of our times together back when we were young that I will never forget. My condolences to Art's family.*
