“ I'll miss you forever, grandma, and will always remember the lessons you taught me in disguise. Like how we should never judge someone based on their upbringing, how a women can do anything a man can do, and how to find the happiness in everything. Forever my closest friend and supporter, miss you.

“ So many memories have come flooding back since I got the call of your passing... Easter celebrations, with you riding your golf cart back & forth. All your unique teapots. I close my eyes and I can picture you saying: "Now kid..." One of my favorite memories tho is when You and Uncle Elmer came to Vegas when I was already overdue with Alisha. You were on your way home when she finally made her arrival. Love You and you will be Greatly missed, I'm sure you had a Heavenly Reunion with Uncle E. until we meet again... ❤️
