“ *Kim and Rita, I'm so sorry to hear of your mom's death. She was our last living aunt, and I have many fond childhood memories of Keith and Barb. We won't be able to travel there from Colorado for the services, but know that you are all in our thoughts as you adjust to a new stage of your lives with only her memory instead of herself.*

“ Bridgette, Brooke, Brody, and Brandon- Aunt Barb thought the world of you “little ones”- - her term of endearment for the four of you. The four of you were her pride and joy. She truly enjoyed the four times she saw you in the last seven and one half months of her life.
