“ *I was so sad to hear about the passing of Uncle “Tadpole”. I understand it that my mother gave him that name as he was the baby of the family. Many memories of him and the cousins growing up. Him and Betty would occasionally come up for a visit. I clearly remember that last visit he had with my mother Frances Rae. It was beautiful. They are now reunited. Love and prayers to the family. I am currently out of state so I am sorry I will not be able to attend his services.*

God bless you all,
