“ Wanted to say Bernice was a special lady. My parents and Bob and Bernice were neighbors. Bernice crocheted the edge of many scarves that my mom embroidered. Bernice was always so pleasant. My Mom and the entire family looked forward to their visits. I had not seen Bernice for many years and I saw her at an auction. She still remembered me. She lived a good and honorable life.

“ I have wonderful memories of both Berniece and Bob. We would stop to visit on our way to and from University in Bloomington and always had a great time, frequently with a delicious meal. Berniece was truly a special lady with a very large heart.

“ The Bloomfield Church of God as a family would like to extend our condolences to the family of Berniece Dailey. Sister Dailey was a faithful and loving Christian who was quick to share her love for God. She frequently testified of His goodness even in times of physical pain. She will be missed but we know she is now free from pain in the arms of her Heavenly Father. May the Lord truly bless her entire family...

“ *To the family: I'm sorry to hear about Miss Berniece. I had done her hair, before she went to Glenburn. She was a very sweet gal. She will be missed.*
