“ I was able to spend time with Bettie at her last Delta Theta Tau National Convention in South Bend. We had a nice time getting to know each other. She enjoyed sorority so much and gave so much of her time to the betterment of this group. She was definitely an icon in this organization.

“ When we were younger I remember liking to go literally across the street to visit at Aunt Audrey's house. When Bettie had little Ricky (not so little now) and he would be in his highchair at Aunt Audrey's she would yell at him when she had to go down to the basement and he would yell back. She didn't want him to think she had left him. My mom and I used to tease her about that. Bettie was a good daughter and you always knew Aunt Audrey and Uncle Howard loved her a lot. We haven't been in touch much for more than a few years, but it is different not being in touch and not being able to be in touch. She will be missed.

Love, your cousin Sharon
