“ Susie I remember your Mom so fondly! She taught me how to peel potatoes when I was a little kid. Such a sweet, dear lady. I'm so sorry for your loss and just wanted you to know that although a lot of years have passed, I have not forgotten you and your family. Wishing you peace.

“ Wes/Susie,
So very sorry to hear about your loss. There are so many things that are said at a time like this, and truly, none of them are understandable at the time. I will keep you in my thoughts and prayers and wish for you to remember all the fond memories and love that was shared. Take one day at a time, that's a good place to start.
Love to you and your family, Missy
