“ *When I think of Betty, I think about her hanging her laundry on the fence. I have other memories but that one stands out. I also remember the time she took me for a ride on her tractor. I was 8 months pregnant with Cheryl. Cheryl was born the next day. I loved her and have thought about her a lot lately. I knew she was old and I was expecting to hear about her passing. I'm sorry but she was awesome and lived a good life from what I knew.*

“ I met Betty when she was a patient along with my husband Ron. She was a sweet lady and became a friend. It was just for a short time we knew each other but she made a very loving impression on me. She really loved her family as she would mention them all the time. Coral Mulinix
