“ Betty was the most caring person I have ever known. She had approx. 20 nieces & nephews with kids of their own so at the Christmas party each year she went out & picked each one of them an individual gift. I ask if all the kids were under 5 why not get them all them same thing. But she wanted each one to have something special of their own. Then with the help of her grandkids she made sure everything was wrapped. I will miss her so much.
