“ I have so many memories I could share of Betty Jo. She and her mother, Nora, made the most awesome and beautiful and durable Barbie doll clothes. They made everything Barbie doll from sequenced formal dresses to coat and hat ensembles. Betty Jo was also very involved in Eastern School Band Boosters during my high school band days. So many special memories shared with the Inman family over the years. Suzi, Debbie and all the grandkids and great grandkids, I am so very sorry for your loss. Betty Jo was a very kind and memorable lady. Nancy Clensy
