“ Steve, Jeff and Rick...I'm so very sorry for your lost! I will never forget the countless times we spent together growing up! One of my favorite times is when Lorene was at Bloomfield High School watching the ball game and she got to cheering so hard that her teeth fell out when they were in the top balcony and her teeth falling below on someone's lap...lol! I love all the weekends spent at the lake! Love you all and highly miss you all! Now she is out of pain and in heaven with Verlin, Dad and all the rest of the family!

“ Mrs. Pearson was a wonderful lady with a beautiful heart. She was generous with her time and always had a kind word or a funny thought to share. I've known her for nearly sixty years and I will miss her smile and her presence. All three of her boys were raised the right way though they could be a handful at times. Regardless, she was always there for them. Later in life, she shared with me some words of wisdom that I live by every day. I love her and I'll miss her but I know that she is in a better place, smiling from above pain-free and happy to be back with Mr. Pearson.
Miss ya, love ya, and I appreciate you,
David

“ Betty was a very nice and friendly lady. My brother and I were good friends of her 3 boys. My sincere sympathy goes out to her family and friends.
