“ To Linda and others that loved Betty, I extend my condolences. She was a sweet person and I know she will be missed. We shared a ride to work and those daily journeys, we also shared the love that we had for our kids and grandchildren. She carried the same love and devotion for John. After John was no longer able to work, he would meet our ride with Betty, morning and evening. Always with a wave and smile. The photo that you have shared is a beautiful display of both of them! I pray that precious memories of Betty will ease your feelings of loss at this time. I pray God will comfort each of you. My love to you, Pat (Hamlin) Sharr
