“ *Bettye's home was halfway between my job in Salem & my parents at Graysville. I always enjoyed stopping in to chat with Bettye and use her bathroom, before I continued on my trip. The inside joke (by Bettye) was for me to leave a dime on the counter. We laughed about that over the years and later on I'd leave a quarter, due to inflation. I've missed seeing you on those trips, but I know by now you've run into my Mom, up there, and you're both looking down to keep Kathy & me out of trouble. Rest in Peace, Bettye.*

“ *Kathy, James and Paul I'm sorry to hear about your mom..you all are such good friends although we don't see each other as much as we did in the past. I have good memories of the earlier years. Betty was a good friend...almost another mom to me. She will be greatly missed.. I'll not forget her. Thank you all.

“ *I only knew Bettye a few short years but she sure grew on me. She will be missed dearly. Bettye always called me Sweet Pea and we watched Soap Operas, and game shows. Only if some of those people would have just listened to her. 😊 Forever in my heart. I love you Bettye*
