“ *Very sorry to hear this sad news. Bill and I used to ride our mopeds together when we were young high school kids (pre-car days). Lots of fun memories on that topic until I somehow glanced off of his moped near the old east side shopping mall and ended up unconscious in the ER! My mom saw Judy at dinner last night and she shared the sad news. Rest in peace my friend.*

“ I will always remember Billy as a younger boy. He was the sweetest kid and loved his family. I ran into him at Wendy's on the west side about 3-4 years ago and I looked at him and knew him instantly. I said, "Billy" how have you been? He had that sweet, kinda shy smile that he always had when he was younger. I am so sorry to hear of his passing and my heartfelt wishes of comfort go out to his children, grandchildren, sisters and family. He will be missed.
