“ Bobby and I were buddy's even before we went to school at Break-o-Day.I'd see him at the fair's or around Franklin every now and then,and we would talk about the time he tried to water-ski behind my dad's 14' john boat with a 20 horse mercury out at Mashmeyer's.He almost got up once. I have three brothers and a sister,but I'm sure that Bob was the firsrt friend outside our home that I had.I will miss my friend's smile and laugh.
