“ My sincere condolences to Charlie and to Bonnie's family members during this time of sorrow... I will always remember Bonnie's kind smile. Also, when she and Charlie lived in the home that Rich lives in now, she would always wave to me when I took my daily walks uptown and back home. Scotland has lost another good person in our little community....
I regret that I will not be able to attend the viewing this evening, but be assured that you are all in my thoughts and prayers.
May God put His loving arms around you and comfort you. Hold tight to the precious memories of your loved one.
