“ We had the pleasure of getting to know Bonnie as she was one of my daughter's teachers at Head Start. Bonnie was the most caring, loving and wonderful lady! She was the teacher every parent wishes their child would have. We will never forget the wonderful memories we had with her at Head Start. She had that beautiful smile, and wonderful. So sorry for her family's loss, hugs and prayers to them during this time.

“ Bonnie was always someone I looked up to in our small community. Growing up in Scotland, and going to the same church, you just seem close. She was always so kind. She had a way of making you smile. And I always liked to hear her sing at church. She will be missed by many. Hugs and prayers of comfort and strength to her family during this time and the days ahead.

“ I had the good fortune to know Bonnie from working with her at Head Start in Bloomington. She was always smiling and always kind!  
It is probably not by chance that the day of her departure coincides with All Saints Day day. She is comforted with many souls surrounding her. Farewell Bonnie

“ Bonnie touched the hearts of all those who worked with her. She had a beautiful spirit, her love and professionalism was what she gave to others each day. Even though I only had a couple of minutes at a time to stand by her at work she easily brought a smile to my face. Always leading with something nice to say about someone, whether that was a co-worker or a family member. Bonnie brought out the best in people. I will miss her and always remember her. With love to her family and friends, Mindy Caron
