“ Risa, so sorry to learn of your mother's passing. I have so many wonderful memories of summer days spent at your house. We put thousands of miles on the dune buggy and spent hour after hour floating in the pond out front. Great summers! We use to drive your mother nuts by constantly running in and out of the house....I can still hear her telling us to "make up our minds....stay in or out"! Thinking of you, Robin and JR.

“ I'm so very sorry for your loss. Bonnie Lee was a cousin to my Beautiful Mommy, Sharon Rose Horn. We would go and visit her frequently at a nursing home in Jasonville. I was always amazed at how extremely sharp she was - especially for a woman her age. She was very artistic too and loved to create artwork which was very beautiful. We would stop and get her a root beer on the way and she was always so grateful.

When Mommy started going to church in her late years, it was Bonnie Lee who encouraged her to be baptized. So, Mommy was baptized and it was one of the happiest days of her life.

If I'm not able to make it to the funeral, know that I'll be praying for the Peace of God to comfort you as you lay to rest this beautiful, precious soul.
