“ I remember Brenda as such a congenial, kind, and wise mother, wife, and community contributor. Her medical tragedy was a sorrowful loss for family and friends. Nineteen months have passed now, but fine memories of our times with her remain undimmed. --

“ Brenda was one of my best friends back in the day when our children were small... Some of my fondest memories are of her and I getting together making homeade bread, you would have thought we were a couple of kids giggling and carrying on together...she always had a smile, always had something positive to say.... lol she pulled me out of my shell.... So thankful to have had her in my life. My prayers are with her family she leaves behind. May God bless and give you all peace in the coming days.
