“ Marcus and Debbie I'm so sorry for your loss. Brent was a lifelong dear friend of mine and I'm still at a loss of understanding why he had to be taken. He just couldn't get past the pull that the disease of addiction has. Brent there are too many fond memories I have of you and I together. I love you so much friend and I'm just so sorry this has happened. I know you and mom are up there having a blast and talking about memories you guys shared. Peace for the family.
