“ Brian was a wonderful man, always ready to help anyone in need. A memory: my husband had heart bypass surgery, about two days after he was home, we had an incident and I called Brian knowing he was trained for medical emergencies. He came right over to our home, checked out my husband and assured us that my husband was okay. We were thankful for his assistance.

I am so sorry that he has passed. He will be so missed by Shawna and family as well as his friends. So long Brian and I know you will be so welcomed when you cross over into God's Kingdom. Doris From

“ My deepest condolences to Shawna, Megan and family. Brian is, very literally, my longest friend. I met him while he and I were in grade school in Bloomfield. We were able to reconnect over the past several years online and have spoken by telephone His heart for his family, and love for God were evident in our conversations. My thoughts and prayers are with you all. I look to the day when we reconnect in the eternal heavens, my friend. -Rex and Janet Louth; Colorado Springs, Colorado.
