“ I literally just learned of Britnee's death and wanted to let you, as her family, know how very sorry I am about your loss. I still remember Britnee as the beautiful little girl who always had a beautiful smile. I have followed her, via the grapevine, so to speak, over the years and knew that she had grown into a beautiful, loving, intelligent young woman with a bright future. What a horribly heart-wrenching loss - I'm sure that I cannot even begin to know the extent of your sorrow. Please know that my thoughts and prayers are with you all. Take care, Alice Whalen

“ Jana,
Please accept my deepest condolences for your loss. We must believe in times like these that the Lord has a plan. He tells us that He will never place more on us than we can endure. That does not mean we understand the reasons why occurrences such as this take place.
There are no words or actions that can ease the pain. Those of us who have never experienced this tragedy will ever comprehend. We are here to help you endure.
Mary and I will keep you and your family in our thoughts and prayers.
In deepest sympathy,
