“ Sorry for the passing of Carol. My Husband, Levon, (who passed away two years ago) worked with Nelson at the post office. We always liked them both as good friends, and thought they were very nice people. May God comfort you at this difficult time.

“ So sorry for the passing of Carol. Prayers for the family in this time of need. I will always cherish the times I had with Carol and Nelson. I will never forget how happy I was, when they asked me to be one of the two flower girls in their wedding or making homemade ice cream with a hand machine in the summers. I will miss them terribly.

*I spent a lot of time with Carol in my teenage years. We attended the same church and I loved her family. We had lots of special memories.*
