“ My heart bleeds at the loss of your mother and grandmother. Carolyn was a kind soul and was always first in line to be of help to anyone that needed her. She will certainly be missed and an added value to the Lord above. She will join many friends in the glory land. The first thing that Jack Crawford said to me when I told him of Carolyn's passing was oh - Betty Rowe will be jumping with joy. I'm sure this is true. I pray that the lord will comfort each of you. My thoughts and love, Peggy Blakley and Family and Jack Crawford

“ Please know that she will be missed. While she and I weren't close during most of our lives, I still found her to be one of the most caring persons I knew. It was privilege to know her and to be related to her. I will miss seeing her at Hunter's occasionally and around the downtown square.

“ I was a year behind Carolyn in school and considered her a friend. She was one of the nicest, down-to-earth person that I have known. I know from experience that your memories will keep Carolyn alive in your heart. She will shine through in her children's personalities. Even so, I share your sadness of losing the companionship of such a dear person.

“ To brother-in-law Lee Baker and family. I will not be able to come to the funeral because of work. But I will be praying for all of you. Janice and Jamie will be there. I remember all the good times we had together. How she took me to see the Viaduct. The dinners we shared together. I know how it is to be left behind, when a loved one goes to heaven. I been through this all my life. May God give you peace.
