“ Having known Buck nearly all my life, I know he will be sadly missed by all that knew him. I am sure that he is sitting by a fire listening to a pack of hounds run and telling stories up in heaven right now. I am very glad that he and I was able to talk for a while last fall when I was up there. Rest in peace Buck.

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.
I know it hurts right now but, know that you'll always hold him in your heart and you'll always have the memories of him with you. I'm truly sorry for your loss Emery.
