“ Cathy was my friend for many years. I met her when I moved to Lyons in 1968. She was the type of friend that had a warm heart and a generous spirit. She will be missed.

“ I will miss my Aunt Cathy everyday. I know we always didn't see eye to eye by i know she did it because she loved me like her own child...her and Bud-Man will be playing together again up there. Camping trips won't be same without her being with us but we will continue her traditions. You will be there next week in spirit for when I turn my Big 4-0... You will always be with me in my heart. “ We met Cathy years ago when we were looking for a different home. Even though we didn't buy a different home, Cathy treated us like good friends each time we saw her. She was always so upbeat and cheerful, we really enjoyed speaking with her. Even when she wasn't feeling well, you'd never know it by the way she was. God gained another angel. Fly free now Cathy!
