“ I shared word of her passing on our Class of 1970 facebook page. There were a number of fond remembrances, particularly by those classmates that lived in or near Mineral and who attended school in Scotland.

“ Cathy and I were classmates from the time we started first grade at Scotland School until graduating high school at Bloomfield High School. Growing up fairly close to one another, we shared many good times together -- including birthday parties and sleepovers, visiting one another's homes, riding bikes, watching scary television shows, and just exploring different places on each other's farms. Cathy was a good friend who always wore a smile and enjoyed having fun. Rest in peace, dear Cathy...

“ Grew up right up the road from the Padgett's house and have so many memories from spending time there. Great lady with a contagious laugh. She was crazy enough to take a few of us girls to our first concert at Robert's Stadium to see Huey Lewis & the News. Will remember those days always. Rest easy sweet lady.
