“ *My condolences to the Evans family. I was in the same platoon with Charlie in Vietnam way back in 1966. At our annual reunions, Charlie always took the time to have a good visit with me and we talked over those long ago times. Charlies friendship brought me much joy and I will miss him.*

“ *Charlie was one of the great characters at Crane Army. He was a hard worker always with a smile and smart-alecky comments that cracked everyone up. Blessed to have worked with him. My deepest sympathies to the family. I am sure he will be sorely missed by all.*
