“ I really wish that there was some way to ease the pain that we are all going through. "Uncle" Chuck was such a fabulous person! Always fun to be around. His smile could go on for miles! I am so thankful God gave me my "Uncle" Chuck and his memory will live on forever in my heart. My prayers are with you Shad, Amber, and Alicia. I love you all.

“ I am sorry that such a young man - in my eyes - passed on, leaving his family and friends behind. I had known Charles (Chuck) Martindale for over 35 years and he was a good neighbor before moving many years ago.  
He will truly be missed...

“ I got to know charlie over the past few months as a bartender at the moose lodge. Often, Charlie would be one of only a few guests, and would entertain with some good stories; such as the ones about his racoons he would feed. He seemed to be a great guy, and will be sorely missed by myself and others at the lodge. My condolences to his family and friends.

“ I knew Chuck during the years I grew from a boy to a man. I can recall many memories with the Martindale family, some of which visit me from time to time.  
It's with a heavy heart I learn of Chuck's passing, but may each blooming of spring also bring fond memories of his life.  
May his memories be reborn in the minds and hearts of the family and friends left behind.  
With learning of his passing I feel as though a small portion of me is lost, yet also makes me remember his goodness that makes me a better person today.

“ *I've known Charlie since 1978. We've worked together and partied together. Some memories I cannot share and the others I can't remember. I will miss making memories with him.* ”
