“ Your family are in my thoughts and prayers durning this time. Please treasure the precious memories you have from the years past and they will help you smile in the future. I remember going to see Charlie with Aunt Maybelle and Uncle Roy as a child and Renie and I would play with all the kittens are run around and Charlie would laugh at us and even played along a time or two. we could get him to play when we made him the base when we were playing tag, and he would giggle right along with us! We have so many fond memories of your family trading in the store at Newark. He was a good man, who like so many, have passed far too early.
