“ I was able to meet and get to know John a little over this last month. I truly enjoyed talking with him and hearing his life story! I am sure he will be missed by those who loved him most. He told me repeatedly of how proud he is of his daughters and was so glad that he had a good relationship with them. He told me how much he appreciated Donna caring for him and how well he was being taken care of. I always got the impression that John wanted people to think he was a tough guy, but I could see that he loved his friends and family very deeply. I am so blessed to have had the opportunity to meet John and sometimes "talk about the deeper things of life". We had several great conversations and a few really good laughs! Rest in Peace John.
