“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ We are painfully mourning her passing. Bobby loved the time he was able to spend with her after so many years away from her, he would always speak as to her character n once told her she was probably really strict as a young mother n she told him "No boy I was stern." She has successfully passed her wonderful qualities on to her grand daughter Jaqelyn and I am cetrain her memory will live forever n the large family n friends who loved her dearly. RIP
Granny I know you are in Gods grace with Jack looking down on us.
