“ I grew up with Clint so I've known him since kindergarten but I haven't seen him in years. He always made me smile in school and was never judgemental. Praying for family 🙏

“ Clint I love u and know I will see u again, sooner than later, im old u know! U and Jared went through alot of good times and rough times but u were always by his side and helped him through the rough times. Your kids  
I know how much Jared loves them both and he will always be there for them.  
Because of you Clint, Kasie and Jared got together! I was blown away by that but I will never be able to thank u enough. They are meant to be. Gregg and Jana I never thought we would all be family, but I love u both and praying for your you and the family. I loved Clint so much, and my heart hurts. ❤️

“ *Sorry for your loss. Clint was a GREAT GUY to work with, he was one of my favorite crewmembers on the Railer at Crane. He used to tell me all kinds of stories about his light shows, and how he remodeled his house with all kinds of electronic gadgets. I will miss him greatly. Rest easy Clint!!*
