“ I and my husband Jeremy Harl both loved Rex so much. He and Shirley always welcomed us when we would stop in whether just to say hi, if we needed a helping hand or if Rex needed Jeremy to do some flooring for him. No matter when it was when you saw Rex he always had a smile on his face. He was always positive and always happy. I remember one year at the Apple Festival we were getting ready to walk out of the park and I heard a voice saying, "No!!! Wait!!! Don't leave!!!! " I turned around and it was Rex. He was walking almost running after Jeremy and I just as fast as his legs could carry him, bless his heart. He just hugged both of us and was out of breath. He said I'm so glad I caught you before you left!! I haven't seen y'all in so long and I've missed you. I almost teared up when he said that to us but I held my composure. We walked back over to where he was sitting with Shirley with him. She even made a comment , "He saw Y'all and just started hollering and before I knew it he took off and was gone after y'all!!! We all just laughed. We stood there for a while and talked and then when it was time for us to go we all hugged each other and then Jeremy and I left. Everytime Jeremy and I would run into Rex and Shirley out somewhere we always talked about how we were so glad to see him. Rex just made you feel happy, he made you feel Loved and accepted. I never one time in all the years I knew that man had ever seen him mad or upset. He just didn't let things bother him, ever he was always smiling, always friendly and always there to lend a helping hand. This man will be truly missed by many for a very long time. Now he's smiling in Heaven and he's waiting on his beautiful loving wife Shirley.

“ Dear Shirley and your family,

*I wanted you all to know how much the Hasler family loved yours. Rex and Shirley took us to Wednesday night church when my mom didn't drive (She didn't learn until she was 40). We were sorry when they moved into town as knowing you were across the highway was such a blessing. I always loved it when Rex or Rick led our singing. I didn't have him as a teacher at BHS, but I appreciated that he knew my name and always greeted me.*

*Your loss is Heaven's gain. With sympathy and love, Joyce (Hasler) & Al Long*

“ So glad we could visit with Mr Hudson and Shirley at a boy’s game last month. He told me “there’s no place I’d rather be than right here”. He was always there for everyone. Hope he’s in an even better place now. Peace and strength to Hudson’s.

*Rex was one of the greatest guys I ever met. I always liked it to the always had a smile on his face. When I was laid up with a broken leg, he would come down at least once a week and check on me to see if there was anything he could help me with. And the ultimate surprise was when he brought the entire class down to see me instead of having class. I will never forget you, Rex.*
