“ *Darrell was one of the kindest individuals I have ever known. It was an honor to have known him and work with him. He was an absolute genius when it came to machinery and design. Crane and CAAA were lucky to have him as part of their team. Rest in Heaven my friend.*

“ So terribly sorry for your loss. Darrell was a wonderful kind soul. He always had kind words and concern for all whom he was around and touched during my acquaintance with Darrell at CAAA. I always enjoyed talking with him and his granddaughters were the apples of his eyes. He loved his family so much and that love & kindness spread in everyone he touched at CAAA. He will be missed so much by many. My sympathy & prayers go out to his family. God hold you in his precious hands as Darrell now watches over you from above. He will indeed be missed. “ *My husband Ron and I worked with Darrell for many years at Crane Army. His kindness to both of us was a bright spot during our working years. He was one of the most dedicated employees I have ever seen. Darrell worked many long hours and was always willing to be of help to anyone who asked. He was always so kind and had a big heart. Every morning he would get the Indianapolis Star and he would bring me the crossword puzzle because he heard me say I liked doing them at lunch. I know he will be missed by many. Our condolences to his family. You are in our prayers.*
