“ Julie - So sad to hear of your dad's passing. One of the finer men I knew at Crane. Always happy wearing a smile. I shared your photos with my husband and he said Jeremy was the spitting image of your dad when he knew him years ago. I am sure he is in such a wonderful pain free place. May your cherished memories sustain you through the days, weeks and years ahead. He will also be watching you and your family and his love remains in your heart forever. Prayers for each and everyone of you. Alan and Deanna Callison
