“ Mr. Frederick was such a great man. He was my grandma’s and mine neighbor. We moved in across the street from him in 1986. Anytime we were sitting out on our screen porch he’d wave and walk across the street to talk for a minute or so. Many times he would help me or give me some advice on my car when I’d be outside working on it. He would always help my grandma if I wasn’t there. Thank you Mr. Frederick. God Bless!!!

“ So sorry for your loss.
Dallas was a wonderful friend and neighbor. When we first moved into our house he dropped us off one of his cookbooks and a box full homemade goodies. I always loved seeing him working in his flowers. He always had a smile on his face and always made time for conversation. He will be dearly missed.
Prayers to his family and friends.

“ Uncle Dallas was a kind hearted man I always regretted not knowing better . Probably due to the distance between. Glad he seemed alert and at peace the last time we spoke. Amen

“ Scott, Brian and families,

So sorry to hear of Uncle Dallas' passing. We are thinking of all of you and remembering the fun times growing up. Personally, I am remembering picking out a new toy at Western Auto and enjoying a good meal at the Whistle Stop. Sending love and prayers to you and your families.
