“ Really sorry to hear about your dad and grandpa. Let all the memories give you the strength to get thru this. Darrell was a hell of a man and no one will ever take his place. Darrell will be sadly missed. I will find peace knowing that he is now at rest with Joan once again. If you need anything or want to talk call anytime. My thoughts are with each and everyone of you. You could always stop at Hi Point and just chat I know that will be hard to pass by and not pull in. I know that when my family sits down to play cards the game will never be the same without Darrell to put in his two cents or more in ! You lost a great man and we lost a great friend!
